SPSC-1/2019

Dear/ Respected Parents,

It is our great privilege and immense joy that we have passed one year by the grace of Almighty in all our term exams and midterm exams as well. Obviously it is observed that our students are growing in academically, physically and mentally. As St. Placid's family all the parents, Teachers and Staffs worked very hard to fulfill our all activities successfully and that is our great achievement. Special thanks and gratitude to all the Teachers, Parents and Staff. I do hope that our students will bring brilliant and successful result in the public examination.

My dear and beloved students,

Gold coins are liked by all as you are Gold coins for me and to the whole nations throughout the world. The rules and regulations you have been maintaining in the Campus you will have to have make your effort in the near future. Those who actively participate in all extra-curricular activities you will be benefited obviously. You know that our gate closes at 7: 50 for the Assembly. You have to be punctual and in time in the Campus. There is a little option those who will unexpectedly late, the gate will get open at 8:05 for the late comers and late fees are already increased. I congratulate you all those who succeeded in the examinations and have been promoted to the next class. I feel extremely sorry for those who have failed. You study hard from the beginning of the next year and be disciplined. Please do not come to me after receiving your results because we will not entertain your request for promotion. I do want and hope that our Campus should be neat and clean and all boys should use bins kept in the School premises. Our Students have to nurture moral values and respect all the elders and love the juniors. The vase are kept in the yard you have to take care every day to get more oxygen and keep the Campus healthy.

Our Students have use electric devise moderately. You are oblige to give up all bad company with outsiders and encouraged not to mingle with juveniles.

Students you are blessed because you have been getting ICT Labs, Physics Lab, Chemistry Lab, Biology Lab, School and College Library and good sports ground which are very healthy to help you to prepare yourselves for mankind. Be obedient and faithful with yourselves first then others.

Dear/ Respected Parents,

We will resume our school on Sunday, January 5, 2020. You know that our gate close at 7: 50 for the Assembly. You have to be punctual and in time in the Campus. There is a little option those who will unexpectedly late, the gate will get open at 8:05 for the late comers and late fees already increased. According to the rules of the school, all students will come to school in time regularly with full school uniform. We do not want that students will be late and irregular in school without any good reason. If any student remains absent from school without any good reasons he will have to pay a fine of TK. 50/- (Fifty) for each day absent in school. If you want your son to continue his education here in St. Placid's School & College he must abide by the rules and regulations of the school. I would like to remind you that the aims and objectives of running St. Placid's School & College is not merely to prepare the students to achieve GPA 5 in the public examinations but our priority is to impart holistic formation to make them assets for the country and to make them good citizens. Now if you feel that you and your son are unable to respect and follow the rules and discipline of this school then I will earnestly request you to withdraw your son from this school. For the wellbeing of the students and for the school we will be very strict regarding school discipline, if needed we will give transfer certificate (T.C) to the disobedient students. If you want to withdraw your son from this school, take T.C. by December 22, 2019 paying only the T.C. fee. The school office will remain closed from December 23, 2019 to December 31st 2019. If you come for T.C. in January 2020 you will have to pay all other fees etc.

We want to keep a healthy environment in the school premises for proper education for the students so we will not want any guardians to come to the school premises without any good reason and disturb the office staff members, Vice Principal and Principal. I want to request you all once again not to enter in the school premises unnecessarily and disturb holding the assembly in time. Please do not bring your motor car and motor cycle inside the school premises before or after school. You are suggested to keep your motor car and motor cycle in the football field. I hope all will get text books provided by the Government. We will start distributing the books from the first day of school in January. We do not encourage private tuition especially from our school teachers.

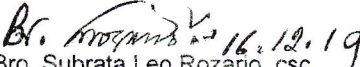

Student's monthly tuition fees will be TK. 1200/- (One thousand and Two hundred TK. Only) from January 2020.

All are cordially requested to come to pay the Session fees for new class according to the following schedule (8:00-11:30AM). Please bring the report card with you.
